By and through the United States, the State of Arizona Charter
enfranchised me, a natural born human being, as a
corporate entity citizen of Arizona by registering my birth
given name with the state or local registrar in the office
of the Department of State. By lack of disclosure, this
unwittingly incorporated me into a political society as a
corporation for municipal purposes using my name in

3. **Supporting Facts.** State as briefly as possible the FACTS supporting Count II. Describe exactly what **each Defendant** did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.

Having declared bankruptcy in 1933 and initiating the
Securities Act of 1933, the United States, by and through
the charter of the State of Arizona, pledged me as a
resident, as collateral for national debt. This was done
by entrenching me as a citizen franchise. This
subjected me to involuntary citizenship or economic
slavery in a political society. This makes my person/
body a property taken without compensation, and
used for municipal purposes. Knowledge of Sovereignty is 2 months.

Breach of contract
implied in-fact regarding a security certificate of indebtedness

2. Count III. Identify the issue involved. Check only one. State additional issues in separate counts.

☐ Disciplinary proceedings ☐ Property ☐ Exercise of religion ☐ Retaliation
☐ Excessive force by an officer ☐ Threat to safety ☒ Other: Contractual obligation.

3. Supporting Facts. State as briefly as possible the FACTS supporting Count III. Describe exactly what each Defendant did or did not do that violated your rights. State the facts clearly in your own words without citing legal authority or arguments.

① Mutual agreement of contract was established by lack of disclosure and through the use of coercion implied by law and the legal process. My parents registered my name with the State Registrar of the Department of State under the color of the Secretary of State, in the State of Arizona under the laws of the federal government Securities Act of 1933. This enthralled me as an economic slave a.k.a. "citizen", with a promise of compensation. These actions meet all elements necessary to be a valid contract implied in-fact. ② Meeting of the minds are the drafters of such Securities Act by President Roosevelt and Congress House Joint Resolution 192 and parents. ③ Contractual obligations are included in the Act of 1933 and the issuance of the bond note coupon certificate of indebtedness on the proper paper material, used for trade on the open market using the individual's social security and certificate CUSIP number and details (acknowledgment) ④ Authority to bind into contract is anyone from local registrar, secretary of state, to U.S. Treasurer.

4. Injury. State how you were injured by the actions or inactions of the Defendant(s).

Held as collateral for debt and subjected to taxation and
subject to jurisdiction without compensation
